OHBA Announces Awards of Distinction Winners for 2010

September 21, 2010... Windsor, Ontario – **Brookfield Homes**, captured top honours when it was named **2010 Ontario Home Builder of the Year** by the Ontario Home Builders' Association. The Markham-based, award-winning, low-rise builder has built more than 20,000 homes in Southern Ontario during its 50-year history and actively supports many community organizations and several local home builders' associations.

The coveted award is presented to the company that demonstrates the highest levels of performance based on surveys from home buyers along with stringent judging criteria in the areas of sales and marketing excellence, unique floor plan design, community service, support of the industry and its ability to adapt to changing needs.

Ontario Home Builder of the Year is among 33 categories in the OHBA Awards of Distinction program which honours innovation and excellence in the areas of design and sales and marketing. The **2010 Ontario GREEN Builder of the Year** was presented to **Minto Group** of Ottawa/Toronto who clearly demonstrated that it is possible to take an enthusiastic environmental approach and apply it to all facets of their company. Judges of this highly sought-after award included representatives from Canada Mortgage and Housing Corporation, Tarion Warranty Corporation, the Homeowner Protection Centre and the Ministry of Municipal Affairs and Housing.

The following companies took home first place awards in 2010:
