buildABILITY

buildABILITY and the Ontario Home Builders' Association have partnered to bring you the live training that Ontario builders need and have requested. buildABILITY is proud to present our full suite of builder workshops and HCRA-approved training to members of the OHBA. OHBA members will not only have access to our live training and industry experts but also to our free resource centre.

At buildABILITY, we have served the housing industry for over 30 years. Our company offers training to builders, designers, and building officials. We are the only provider to offer the HCRA core competency courses live both in-class and remotely. We also offer a variety of industry workshops to further your professional development and skill.
