

Deluxe Payroll

A Perfect Payroll Solution

You get more with Deluxe Payroll! For over 50 years we've been providing payroll and Workforce Management services to help businesses like yours run more efficiently and effectively.

Some of Our Great Features

- Easy-to-use online payroll platform
- Fully responsive team of payroll experts
- Unlimited customer support
- Direct deposit and compliant tax remittance — on time, every time
- Reduce cost
- Increase efficiency and accuracy
- Helps ensure compliance
- 90-day, risk-free guarantee!
- Time and Attendance Service

Our Human Resource Information System

Deluxe Payroll HR uses customized dashboards to track, analyze and develop your team's skills, giving you a high-level overview about your business' performance to make better-informed decisions for the future.

Deluxe Payroll HR is a fantastic standalone solution that can also be fully integrated with Deluxe Payroll – making it even easier to manage your business' day-to-day.

Keeping You on Track

- Dashboards that offer high-level insight into organizational performance
- In-depth analysis at the employee level
- Notifications based on predetermined rules
- Training investments are tracked for compliance
- Includes standard HR forms and engagement surveys
