

Ontario
Home Builders'
Association

Engage, Educate, Elevate Membership at Every Level

The benefits of our three-tiered membership system with support at every level of government.

Three-Tiered System

1

Local Membership

Local home builders' associations (HBAs) focus on municipal and regional advocacy and networking with local industry leaders.

2

Provincial Membership

At the provincial, level the focus is on provincial housing policy, education and training, and a building a larger network for our members.

3

National Membership

At the national level, CHBA helps members understand key housing trends, shape federal housing policy, and become industry leaders on a national scale.

Joining the Association

To become a member of the Ontario Home Builders' Association (OHBA) you first **join a local HBA**, one of the 28 across Ontario. Once a member of your local home builders' association, you will automatically become a member of OHBA and the Canadian Home Builders' Association (CHBA). **Contact us** below for help finding your local HBA.

Benefits at Every Level

- Build Relationships with Decision-Makers
- Have a Voice in Shaping Housing Policy
- Access Exclusive Events and Insights
- Become an Industry Leader
- Develop a National Network
